## Three hurt in nuclear plant 'leak'

THREE people have been injured in a serious incident at a nuclear power plant.

Power firm EDF, which owns Heysham 1 Nuclear Power station in Heysham, Lancs, said the employees were taken to hospital after an "accidental steam leak".

One person suffered burns, one a broken hip and the other a broken back.

EDF said Monday night's incident was not related to the nuclear process and there was no danger to public safety.

The casualties were said to be conscious and speaking when taken to hospital.

Five fire crews attended the incident and remained at the site for more than two hours, as a precaution.

A spokeswoman for EDF said that a "full investigation" would now be carried out to determine the cause.

## May backlash over EU 'queue jumpers'

THERESA May faces a backlash after she said EU workers would no longer be able to "jump the queue" after Brexit.

SNP leader Nicola Sturgeon said the PM's words were "disgraceful" and would fuel hate crimes against EU citizens living here.

The comments came in a speech to business leaders on Monday, in which May vowed to end EU free movement after Brexit.

The government says it wants the estimated 3.5million citizens of other EU nations living in the UK to stay after Brexit, but they will have to apply to remain.

**TOPESS** feminist activists have interrupted a rally in Madrid held to commemorate the anniversary of ex-leader General Franco's death.

Three female members of the international collective Femen ran through the crowd half-naked, with the slogan "legal fascism, national shame" written on their boobs.

On their backs, the women had

written "Stop 20N" - a reference to November 20, the date when Franco nostalgics gather to observe the late dictator's death in 1975.

The police quickly moved in to pull the activists away from the angry demonstrators, some of whom had begun to push them around to cries of "whores".

One of the protesters pulled away

The march took place on Sunday between Callao and Plaza de Oriente - once the site of pro-government demonstrations during the Franco regime.

# DON'T PANIC!

**TORY Jacob Rees-Mogg has admitted the plot to oust PM Theresa May has gone a bit 'Dad's Army' after it stalled amid Brexiteer splits.**

The Eurosceptic conceded too many MPs thought there should only be a Tory no-confidence ballot if May loses a Commons vote on the package thrashed out with the EU.

### Hapless

Asked at a press conference if his attempt to unseat the PM had been exposed as a "Dad's Army" operation, Rees-Mogg compared himself to the sitcom's hapless lead character.

"I've always admired Captain Mainwaring," he joked.

He even suggested Mrs May was now "odds on" to lead the party into the next election, although he also said the "strength of feeling" was

stronger than the number of letters calling for challenge implied.

Former minister Steve Baker warned it might be the last chance to change leader, adding: "I do think it's now or never."

Playing down the humiliation, Rees-Mogg said: "Patience is a virtue, and virtue is a grace."

And he warned May her Brexit deal would not pass Parliament after she'd "alienated" the DUP.

His comments came as the number of confirmed Tory no-confidence letters stuck at 26 - well short of the 48 needed to trigger a full vote.

The failure to reach the key threshold sparked some bitter recriminations.

One senior MP who submitted a letter jibed: "Where are these great titans of Brexit? The answer is, they've bottled it."

## Suicide bomber kills 40

AT least 40 people have been killed in a suicide bomb attack on a hall in the Afghan capital, Kabul, officials say.

At least 60 people were also injured as religious scholars met at the Uranus hall to mark the birthday of the Prophet Muhammad.

It was one of the deadliest attacks in Kabul in recent months.

No-one last night admitted responsibility for the blast, but the Islamic State group has said it was behind most of the recent deadliest attacks.

Continuing attacks by the Taliban have also stepped up pressure on security forces.

At least 1,000 people were in the hall at the time of the explosion, Tolo News quoted eyewitnesses as saying.

A manager at the hall said the suicide bomber blew himself up in the middle of the gathering.

# MADDIE'S ALIVE

MISSING Madeleine McCann could still be alive and trapped in an underground dungeon, a retired detective who investigated her disappearance has claimed.

David Edgar believes Maddie (left) could resurface "at any time" and likely has "no idea" about her true identity, having probably been abducted by a child sex gang.

The investigator also suspects that she might still be in Portugal, where she vanished from in 2007.

It comes as her parents, Kate and

Gerry, were said to be "greatly encouraged" that Scotland Yard could finally be closing in on Maddie's kidnapper.

The Home Office last week announced it would grant an extra £150,000 to Operation Grange, to keep the investigation going until spring next year.

So far they have handed out £11.75million of taxpayers' money for the high-profile search, with officers looking into two vital leads.

# PIERS: CHERYL BEGGED TO SEE MY WILLY!

I WANT YOU NAKED:  
But Cheryl (below)  
was taking the Piers

By BECCA STUBBS [becca@sundaysport.co.uk](mailto:becca@sundaysport.co.uk)

**TV host Piers Morgan has revealed Cheryl Cole asked him to be a NAKED MODEL for her "private" art class.**

The *Good Morning Britain* presenter said he received the cheeky message via a text, claiming Cheryl, 35, joked he could use pieces of fruit to hide his "naughty bits".

Morgan shared the contents of the fruity text in his *Event Magazine* column. It read: "Hi Piers babe. I'm getting private art lessons and my homework this week is life drawing."

"Would you come round and pose naked for me?"

"It'll only take a few hours and we can have a good natter. And don't worry, I'll whack the heating up!"

## Naughty

"If you'd rather, we can position fruit and stuff in front of your naughty bits!"

"Let me know, love Cheryl xxx."

Deluded Morgan, 53, admitted he at first thought the message was genuine.

But the presenter said he realised it was a joke a few moments later, as part of Cheryl's appearance on *Michael McIntyre's Big Show*.

It's set to air on BBC1 next weekend.

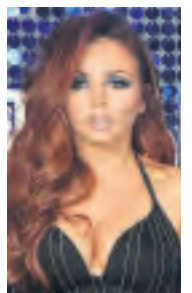

## JESY'S 'SILLY TW\*T' RANT

LITTLE Mix babe Jesy Nelson branded Piers Morgan a 'SILLY TW\*T' live on BBC Radio One.

Her outburst came after Piers slammed the girl group for their latest video 'Strip' - which sees the girls naked and daubed in nasty words they've been called.

Morgan cynically declared the girls only went bare in their music video because they were using sex to sell records.

The four-piece weren't happy. Asked for a response to those comments by Radio 1 DJ Nick Grimshaw, 27-year-old Jesy (right) called Piers a "silly tw\*t".

## Library opens up its secret hoard of filth

BOOKS once banned for being 'obscene' have finally gone on display to the public. *The Love Books of Ovid*, filled with filthy pictures, a study of phallic objects and other smutty works were deemed so scandalous in the Victorian era that a separate restricted library was created within the University of Oxford to store them.

If a student wanted to read them, they had to submit a letter of support from a tutor. But now, for the first time, all the past porn is on public display at the Bodleian's Weston Library in Oxford. The collection contains around 3000 items, including scientific and scholarly works, as well as novels that were deemed inappropriate for public consumption at the time, like Oscar Wilde's *The Picture of Dorian Gray* and D H Lawrence's *Lady Chatterley's Lover*. There will also be sex manuals, early porn and even a copy of Madonna's racy 1992 book, *Sex* (above).

## Mural outrage student resigns

A UNIVERSITY students' union president who sparked outrage when she called for a mural in memory of First World War soldiers to be painted over has stood down.

Emily Dawes posted on Twitter in October that the Rothenstein Mural at the University of Southampton should be removed because it only featured 'white men'.

She had tweeted: "Mark my words - we're taking down the mural of white men in the uni Senate room, even if I have to paint over it myself."

The mural was painted in 1916 as a memorial to members of British universities who served in WWI.

Miss Dawes has now said: "I've decided that it's best if I step down from my role. I sincerely apologise for the offence and disrespect caused."

# MIDWEEK Sport ALWAYS FIRST FOR EMILY'S CAMEL TOE HELL

FALLING STAR: Sky-dive gave Emily 'a massive front wedgie'

By BECCA STUBBS

[becca@sundaysport.co.uk](mailto:becca@sundaysport.co.uk)

**I'M A Celebrity...Get Me Out Of Here!** babe Emily Attack admitted to having a CAMEL TOE during her daring sky-dive on Sunday night.

Emily, 28, has been at the centre of jungle life since the ten famous faces headed into the Australian jungle.

She was made to sky-dive from 12,000 feet to meet her fellow campmates and was heard screaming at the top of her lungs during her ordeal.

However, when she greeted her campmates she told them she had a 'massive front wedgie'.

Her mum Kate Robbins, 56, couldn't stop laughing at her frank admission and tweeted 'worse front wedgie' followed by a series of laughing emojis.

Shortly after viewers saw her leap out of the helicopter, Emily's yellow team lost the overall 'race to camp' and were sent to live in the basic Snake Rock camp.

## Bitten

To heap more misery on the former *Inbetweeners* babe, viewers then voted Emily to do the first Bushtucker Trial of the series.

Busty blonde Emily took on the 'Viper Pit' on Monday night's show, a trial which contained the most snakes in *I'm A Celebrity...Get Me Out Of Here!* history.

She had to enter three chambers, retrieve stars and lie down in a snake-filled box for five minutes.

After being bitten by one of the 50 snakes, Emily won a whopping nine stars for her efforts and earned herself a place in the 'luxury' camp Croc Creek.

She was certainly happy to finish her task, judging by the pokey nipples she was sporting afterwards (right).

REALITY beauty Becky Vardy has claimed that *I'm A Celeb* is all FAKE.

The 35-year-old WAG starred in last year's series after finding fame thanks to her footballer husband, Leicester City striker Jamie Vardy, 31.

After finishing ninth on the show, Becky admitted that the camp set-up and the conversations between fellow campmates are all manufactured.

She said: "If you're stood where the phone box is and look straight out, it's all fake. I lost count of how many cameras there are."

"We all got a bollocking because we weren't using the shower enough. There were leeches everywhere - no-one wanted to strip down into any form of swimwear."

When asked what surprised her about the show, Becky added: "How edited it is, even down to us walking to the trials. We had to do that walk three or four times."

NIGEL Havers has said he was ready to kill Lembit Opik during their time on *I'm A Celeb*.

The smooth-talking actor and the former MP both appeared on the reality show in 2010.

Nigel (right), 67, walked out of the jungle following a row about tasks.

Now he has told *Good Morning Britain*: "If I'd stayed there I would have killed somebody. His name was Lembit Opik and I was just about to murder him. We'd have done everyone a favour."

He added: "It was very simple, I was just going to strangle him in the night."

Nigel also commented on reports that his *Coronation Street* alter-ego, conman Lewis Archer, could be killed off in the new year.

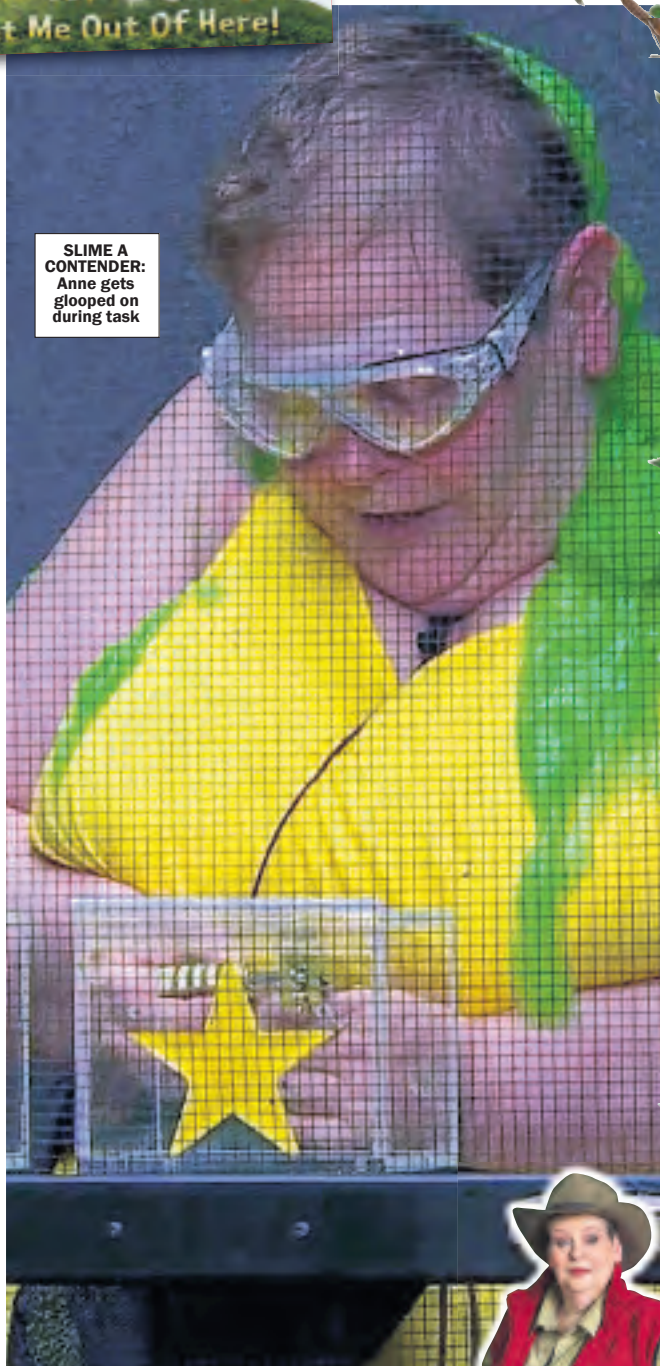

"It's not looking good. It's looking grim all round," he admitted of his future on the cobbles.

Asked whether producers could bring his character back one day - even if he was supposedly killed off - the star replied: "Of course they can".

## ANNE EARLY BOOKIES' FAVOURITE

THE latest bookies' odds have *The Chase* star Anne Hegerty and actress Emily Attack as joint favourites to become the next Queen of the Jungle, following last year's winner Georgia Toffolo.

Anne's – who yesterday revealed she has Asperger's – last night endured her first Bushtucker Trial, and it was a very slimy affair.

Monstrous Monoliths saw her try and get stars out of padlocked boxes, all while getting slime poured over her (above).

However, she understandably didn't take too kindly to the goopy substance dumped over her as she

tried to read numbers to undo the locks.

Explaining how Hegerty has become a serious contender, bookie William Hill's Rupert Adams said: "We originally installed Anne as a 25/1 outsider and she has blown that out of the water. We think she is going to be the one to watch."

However, the same can't be said for *Coronation Street* actress Sair Khan who currently has a slim chance of winning with odds of 40/1 and is 2/1 favourite to be the first celebrity to be voted out.

Harry Redknapp is second fave with odds of 4/1.

## James's kids can't watch Inbetweeners

COMEDY actor James Buckley has revealed he'll NEVER let his kids watch *The Inbetweeners*.

James (above), 31, who played foul-mouthed Jay Cartwright in the hit E4 hit, doesn't want them to see the hilarious on-screen antics that shot him to fame.

He told *Good Morning Britain*'s Piers Morgan and Susanna Reid that there will never come an age where he wants sons Harrison and Jude to watch it.

James got semi-nude, threw up multiple times and masturbated during the show's three series and two films.

He also doesn't believe it could air today as too many people would be offended.

Speaking about his kids, James said: "I'm supposed to be their dad. I don't want them to see me behaving in that way. I already have very little respect from them to begin with and I don't want to lose it completely."

On whether *The Inbetweeners* could air today, he said: "I don't think so. I think it seems to be cool and trendy to be offended by things."

## Saddam plaque gets the chop

A MEMORIAL plaque to evil dictator Saddam Hussein that appeared on a bench in east London has been removed.

It is not clear who left it there or what their intention was.

Wanstead resident Victoria Richards told the BBC it appeared on the bench on Sunday.

Local residents saw it and "expressed their outrage" on a community Facebook page, she said.

Former Iraqi president Saddam Hussein was hanged in 2006 for crimes against humanity.

He ruled by a mixture of brutality, megalomania and paranoia.

TENNIS scorching Eugenie Bouchard swapped the court for the beach yesterday as the blonde took part in a celebrity soccer match.

The 24-year-old squeezed her impressive figure into a pair of neon green shorts and a matching white vest top – but failed to wear a bra underneath and her stiff nipples were

left poking through her shirt.

Judging by this photo, it's not hard to see why she was voted the player of the match after impressing in the celebrity football game.

Eugenie reached the final of Wimbledon in 2014 but has since seen her career marred by injuries – but she certainly looked perky in this snap!

## GIRL COOKS LOVER IN BIRYANI

A WOMAN has been accused of killing her boyfriend, cooking him and serving it up to workers with rice.

The unnamed female carried out the killing at her home in Al Ain, near Dubai, after her lover of seven years said he was planning to marry someone else.

Officers said she cut up his body and used a blender to mince his

remains before cooking and serving them to a group of workers near her home as machboos – a traditional dish of rice and meat, similar to a biryani.

Police were called after the man was reported missing by his concerned brother.

DNA tests confirmed a tooth found in the woman's blender belonged to the missing

man and she was then arrested.

She later told police she carried out the killing in a moment of "insanity", saying it was out of revenge, having financially provided for him for many years.

A court date will be set once cops have completed their investigation.

**A WIFE, her male lover and his daughter have been jailed for life over a plot to kill her terminally ill husband.**

Ray Weatherall, 53, survived a poisoning, being shot in the face, and a swimming pool heater explosion which left him with second degree burns.

His wife Hayley Weatherall, 32, also planned to kill him using sleeping tablets and insulin.

She was told she will spend a minimum of 15 years in prison after being found guilty of conspiracy to murder.

Her lover Glenn Pollard, 49, and his daughter Heather, 20, of West Stourmouth, Canterbury, were also convicted of the same charge at Maidstone Crown Court.

They were told by Judge Adele Williams they would serve at least 17 years and 15 years respectively.

The judge said: "This was cruelty of a high

degree. Cold, calculated and chilling cruelty.

"You conspired to murder a man because you believed he stood in your way.

"Each of you plotted and planned to kill him with determination and persistence."

In 2015 Mr Weatherall was told he had terminal brain cancer and he had just 18 months to live.

Last year he was told his tumours were stable and his condition has not deteriorated.

The trio then hatched a series of plots on Mr Weatherall's life, including the swimming

pool explosion and the poison plan.

Glenn Pollard had also planned to push Mr Weatherall overboard during a fishing trip on a boat they co-owned.

On November 29 last year Mr Weatherall was shot in the face at Sandwich Marina, but survived when the bullet hit his right cheekbone.

Kent Police said as well as discovering mobile phones, cameras and camouflaged clothing, a number of registered firearms were found.

A spokesman said: "The phones and electrical devices were analysed and hundreds of texts were found between Glenn and Heather Pollard.

"They exchanged ideas about killing methods and aired concerns about keeping their messages secret."

He said a "catalogue of web pages" had been viewed in a search for ways to poison and kill their victim without being caught.

The spokesman added: "This has been a very complex case and extremely difficult for the victim, who is quite frankly lucky to be alive.

"He's had to come to terms with the fact that three people close to him who he cared about were intent on hurting him.

"They've also put him through further distress with a long and upsetting trial that has revealed all the despicable actions of these three."

## HATE MAIL FOR ICELAND AD CENSORS

TELEVISION advertising watchdog Clearcast has shut down its social media pages after staff were "threatened and abused" following the Iceland advert ban.

The company's head said it was overrun with abuse after the supermarket claimed Clearcast had banned their anti-palm oil Christmas advert.

Not only was it forced to take down its Facebook page, but it also had to remove staff photos from its website

after being bombarded with thousands of emails, tweets and telephone calls.

Managing director Chris Mundy said yesterday: "We were certainly unprepared for the deluge of contact.

"We had to close our switchboard and subsequently took pictures of our team off the website.

"It was intended to be a social bridge between staff and agencies, but it was overtaken by abusive comments."

OLYMPIC ski jump legend Eddie 'the Eagle' Edwards has revealed he was once offered "great money" to pose naked for a centre-spread in *Playgirl*.

Eddie (*above*), 54, was approached by the magazine after his heroic stint at the Winter Olympics in Calgary, Canada, in 1988.

He said: "They were offering great money at the time. I wanted to do it but my manager wouldn't let me."

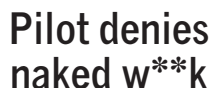

The sporting hero, who once described himself as "the George Clooney of the ski business" while talking about his sexploys with groupies, says he would "jump at the chance" to be a pin-up now.

He added: "It would take half-a-million to get my kit off... Nah, I'd do it for a cup of coffee and a packet of pork scratchings!"

Eddie, speaking at the launch of alpine-themed pub The White Haus, in London, is currently working on a musical about his life, which he hopes to take to the West End.

# PERV WAS FEELING A LITTLE HORSE

By WENDY THOMAS [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**AN oddball has been nicked by cops after he had sex four times in one week with a SHETLAND PONY.**

Nicholas Sardo, 21, was seen shagging the animal – named Jackie G – in a pasture on a family member's property, police said.

In a statement sent out by the Marion County Sheriff's Office in Florida, Sardo told officers that he used a condom so that he 'wouldn't contract a disease' from the horse.

A woman informed police she had seen Sardo having sex with Jackie G in a pasture.

Another woman told a detective the same thing. She said she'd talked to Sardo about his actions and he took responsibility for it.

## Sick

A family source, who asked not to be named, said: "Nicholas was always a little odd, but even we didn't expect anything like this from him."

"He's a decent enough young man, but taking Jackie G up the wrong 'un is a bit too much to take."

"Hopefully one day he can be allowed around horses again without having to introduce his penis to the beast, however small it is. The horse, that is."

Detectives said Sardo told them he knew what he did was wrong and that he was a sick man.

Sardo is charged with bestiality and sexual contact with an animal.

## Capital idea for snowflake pupils

**LECTURERS** have been banned from using capital letters when assigning work after being told they may upset snowflake students.

In a memo sent out to the Leeds Trinity Journalism department, tutors were ordered to stop using capital letters and any "overbearing" language.

There were concerns that the use of uppercase letters would put an emphasis on the difficulty of any assignment, thus panicking a student and putting them in a position to potentially fail.

A Fleet Street old hand said last night: "Students really are pathetic c\*\*ts, aren't they?"

## Tube man's oily pole dance video

THE bizarre moment a commuter stripped to his underpants and coated himself in baby oil before pole dancing on a London Tube train has been caught on camera.

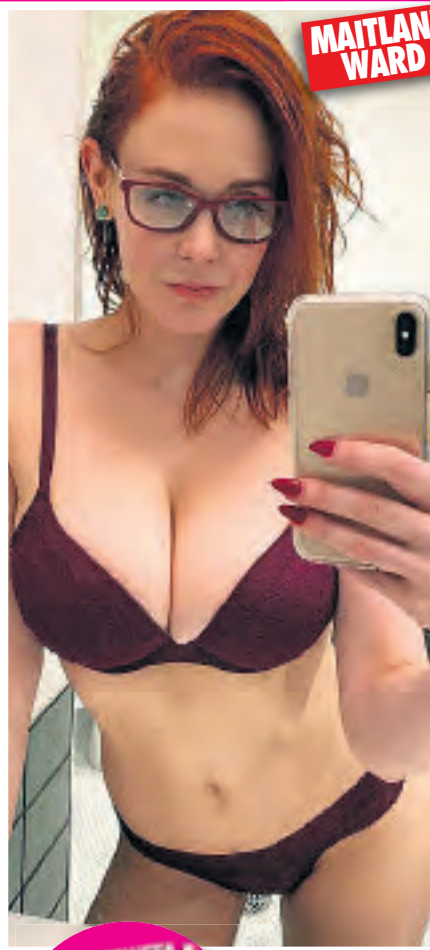

Onlookers said he swung around the carriage's central metal pole and danced for four minutes.

Most of the fellow commuters continued to stare at their smartphones or look

away while he slipped and slid in the oil left on the floor.

One commuter said when the train came to a standstill at Bank station, the semi-nude man simply got off and walked through rush hour crowds, covered in oil, in just his underwear.

The odd encounter happened on a DLR tube train heading towards Shadwell.

**ACTRESS and comedian Tracey Ullman revealed she once had a chat with Prince Charles' wife about VAJAZZLING.**

Tracey, 58, is famous for impersonating Camilla Parker-Bowles on BBC series *The Tracey Ullman Show*.

However, when she met the Duchess of Cornwall in person, Tracey admitted the couple had a very frank discussion about vajazzling.

Vajazzling became well-known thanks to reality TV show *The Only Way Is Essex* and is an intimate procedure where women have jewels stuck onto their fannies.

And, to her surprise, Tracey said Camilla, 71, knew her stuff about the blinged-up vagina look.

She said: "I once met Camilla and what amazed me was she talked about vajazzling."

York police said: "The incident occurred at 1.15pm on Sunday as the 20-year-old woman was walking alone."

"He then performed the sex act on himself and remained in the location for five minutes before then making off."

"Inquiries are ongoing to locate the man – described as white with a very pale complexion, aged between 35 and 45, around 5ft 10in tall with a fat build."

"He has very little chest or pubic hair, no obvious tattoos or scars, and he has a small penis with testicles that hang noticeably low."

Police later apologised for describing the man's bollocks.

MEEK

**C**URVY Claire Meek says she's not bothered if it rains or shines – she'll get **NAUGHTY** outdoors whatever the weather!

The 30G glamour girl hails from north of the border, Ayr, so it's no wonder she's not arsed about a bit of wind and rain when she's shagging outside.

Clair, 29, reckons her hottest bonk came when her and a lucky fella got down and dirty with nature – and it was pouring while they romped.

She explained: "Me and my then-boyfriend were walking in the countryside and it suddenly started to rain.

"I don't know what came over us, but we just had the urge to kiss each other.

"After that, one thing just led to another and soon we were naked on the sopping wet grass.

"We were completely soaked through to the skin, but that only served to add to the thrill.

**Exciting**

"It was a bit cold to begin with, but we soon warmed up and had **SENSATIONAL** sex.

"It's spontaneous and it's always very exciting – and it feels just a little bit naughty, too!"

# 'GIVE US £20K AND WE'LL BE GONE'

**THE leader of a 100-strong group of travellers who illegally occupied a brewery told its bosses: "Twenty grand or the place is ours," a court has heard.**

A convoy of more than 25 vehicles – including 17 caravans – entered Thwaites Brewery in Blackburn, Lancs, after one of the gang used a chainsaw to cut a lock on a pedestrian gate and then opened the main gates on May 26.

Thomas Ward, 43, of Leigh, Gtr Manchester, demanded £20,000 from Thwaites to leave within the hour before he settled on a handshake to take payment at noon the following day, provided no damage was caused, jurors at Preston Court were told.

In a statement read to the court, Thwaites chief executive Richard Bailey said when he arrived he saw a large number of travellers and vehicles in the yard.

Work contractor Greg Hartley had discussed with "Big John" – a spokesman for the travellers – his terms for them leaving, said Mr Bailey.

Mr Hartley said: "Big John said, 'Give me 20 grand and we'll be gone in the next hour'."

He said he relayed the message to Mr Bailey and explained to Big

John it was not possible to obtain any money immediately.

They finally agreed on a handshake for a noon handover.

But prosecutors say travellers went on a wrecking spree and ransacked the office building that same day after Ward believed his demand would not be met.

Staff and the police finally gained access to

the brewery on May 28 and Mr Bailey said he was greeted by a scene of "utter devastation", with extensive damage estimated at £300,000.

Thomas John Ward, 33, and a 17-year-old boy have both pleaded guilty to conspiracy to burgle and conspiracy to commit criminal damage.

Thomas Ward also admitted demanding money with menaces.

Patrick Ward, 32, denies the conspiracy charges claiming mistaken identity.

The trial continues.

## Antidepressant rise over Brexit

**A NEW study shows the number of antidepressants prescribed in England rose after the EU referendum, compared with some other drugs.**

National events, such as elections and financial crises, can affect mental health, researchers said.

Relative to other drug classes included in the study, there was a significant rise during the month after Britain opted to leave the European Union in June 2016.

Writing in the *Journal of Epidemiology and Community Health*, the authors suggested the finding may be attributed to "increased uncertainty for some of the population".

They said that more should be done to help promote mental wellbeing during times of "economic uncertainty or political upheaval".

## Woman made teenager walk nude in road

A WOMAN forced a teenager to walk naked down the road as "a punishment", police have revealed.

Rosalie Contreras (above), 34, drove the 13-year-old to a remote location, made her get out of the car, strip off and walk naked and barefoot down the road as she followed behind.

When another car approached, Contreras told the girl to get back into the car.

Contreras then smacked the girl in the face and punched her in the back, police said.

The victim, from Tampa Bay, Florida, told police that Contreras was "mad" at her for misbehaving. She also showed officers visible bruising and red marks on her body.

Contreras told officers she struck the girl to discipline her.

The relationship between Contreras and the victim is unclear.

She was arrested and charged with child abuse, then later released on £15,000 bail.

## Fact me!

## Teacher's sex with teen pupil

A PRIMARY school teacher has been charged with having a sexual relationship with a 14-year-old former pupil.

Brittany Leigh Howard, 28 (above), has been charged with two counts of unlawful sex with a person 15 years or younger, two counts of statutory sex offence with a person 15 or younger, and two counts of sexual activity with a student.

She was a teacher at China Grove Elementary School in North Carolina before quitting in June.

Authorities said the incidents occurred last year with a former pupil.

The incidents did not occur at the school.

# BOFFINS FIND 2,000 YEAR OLD SWAN PORN!

ENCOUNTER: Leda and Zeus get it on

**ARCHAEOLOGISTS** digging in the ancient Roman ruins of Pompeii have unearthed what could be the earliest example of ANIMAL PORN.

The fresco depicts the mythological sexual encounter between the Spartan queen Leda and the god Zeus, in the form of a swan.

The fresco emerged on the wall of a lavish Roman house that had become blanketed in ash and debris along with the rest of Pompeii and nearby settlements when Mount Vesuvius erupted in 79AD.

The explicit painting shows a semi-naked Leda sensually draped over a chair with the swan sitting in her lap while nuzzling her neck.

Her eyes are painted to look at the observer, as if catching onlookers

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

in a voyeuristic act.

Pompeii is home to lots of original erotic art, and images of people having sex – often with well-hung men – are common.

### Digging

Earlier this year, archaeologists digging in the same villa where the Leda fresco was found uncovered an image of the god Priapus weighing his penis – a

common motif in the ancient city.

However, the latest find is "exceptional and unique for its decisively sensual iconography," said Massimo Osanna, director of the Pompeii Archaeological Park.

The image is very different from other common portrayals of the story that were found in Pompeii and elsewhere, which don't often depict the sexual act and tend to show Leda standing while being pursued by the swan, Osanna said.

## ROSANNA DAVISON & CHRIS DE BURGH

JUST imagine being the 34-year-old daughter of Chris de Burgh, composer of arguably the worst ever ballad in history, *Lady in Red*?

At the very least you'd want to strip off just to retain some sanity.

**STAR Wars, er...star, Ewan McGregor's daughter Clara has stripped naked for a nude post online.**

The model, 22, showed off her incredible figure by posing in the buff.

She posted the snap as she rambled about her love of poetry, while quoting U.S. writer Walt Whitman.

She said: "We don't read and write poetry because it's cute. We read and write poetry because we are members of the human race. And the human race is filled with passion."

### Beauty

"And medicine, law, business, engineering, these are noble pursuits and necessary to sustain life. But poetry, beauty, romance, love, these are what we stay alive for."

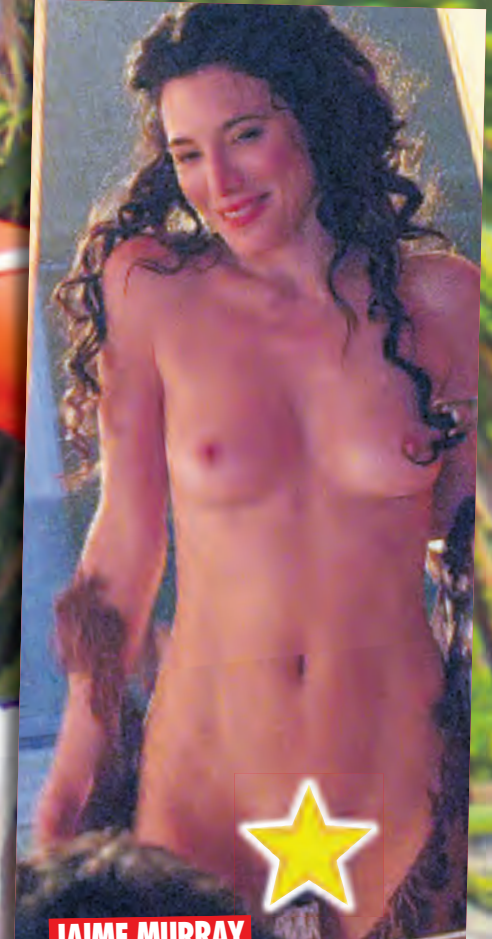

It went on for quite a bit, so we lost all interest. But it did get us thinking: How many other famous dads have had to endure their daughters stripping off in public?

Seems there are loads...

As her dad Bill might say: "Naughty!"

**MILEY CYRUS & BILLY RAY CYRUS**

WHEN Miley, 25, started out she was an innocent Disney star and her dad Billy Ray, 57, was along for the ride. However, she quickly turned her back on Disney, grew up and decided to flash her norks – leaving her dad presumably pretty red-faced at her antics.

ACTRESS Liv, 41, was eight when she found out her dad was Aerosmith rockstar Steven, 70,, and they've since struck up a great relationship. So great he probably didn't bat an eyelid at her norks in 1996 movie *Stealing Beauty*.

## Trapeze artist 'had threesomes with circus school teens'

A CIRCUS performer allegedly had threesomes with two teenage students while on training camps, a court heard.

Dylan Ehrenburg, 44, faces 23 child sex offences amid allegations he carried out a sordid sexual affair with a 15-year-old and 17-year-old.

The trapeze artist (above) denies the claims and is facing a jury trial at the County Court of Victoria, Australia.

Most of the charges relate to having sex with a child under 16 and having sex with a child under his care.

If found guilty, Ehrenburg faces jail.

The court heard Ehrenburg met the girls while acting as head instructor of Flying Trapeze Australia – a circus school for aspiring young performers.

But prosecutors allege he got a little too close to his impressionable young students and went on to commit obscene acts of depravity.

The trial continues.

## 'Ban booze ads for grim Scots'

BOOZE advertising should be restricted in Scotland in winter because the bleak, cold weather makes locals take to the piss!

Research from the U.S. has established a link between temperature, hours of sunlight and alcohol consumption.

Data from 193 countries provided proof that climate contributed to a higher incidence of binge drinking and liver disease.

A Scottish doctor is now calling for restrictions in alcohol advertising during the winter months.

Dr Peter McCann, medical adviser to Castle Craig Hospital, a drug and alcohol rehabilitation clinic said: "Stricter laws on alcohol pricing are surely justified when we consider the devastating combined effect of low sunlight and cheaper alcohol on consumption.

"Advertising laws should be addressed with restrictions during winter."

## Lust-crazed fans plead to drink Chloe's bathwater

**latin\_innovator\_510 @chloe.khan**  
yea..... I drink ur bath water ❤️

**chuck.dodd.1130** Wish I was that bath water. 😊💙

**X-FACTOR** babe Chloe Khan stripped completely NAKED for a quick dip in her bathtub – and was swamped by KINKY fans wanting to join her.

Chloe, 26, is currently enjoying a break away in Portugal and has been keeping fans up to date with a slew of sexed-up snaps.

**By BECCA STUBBS**  
[beccasundaysport.co.uk](http://beccasundaysport.co.uk)

And her bathtub pic left nothing to the imagination as she peeled off and flaunted her huge norks, stirring fans onto social media.

One fan, **latin\_innovator\_510** said: "Yea...I drink your bath water."

An equally horny fan, called **chuck.dodd.1130**, had similar desires, writing: "Wish I was that bath water."

Keen to make sure her sultry shot didn't breach Instagram's nudity policy, former *Celebrity Big Brother* babe Chloe ensured her modesty was just about covered.

To cover her fanny, Chloe bent her leg, making sure her nether regions were protected and wrapped an arm around her impressive boobs.

Chloe has spent £100,000 on her figure including numerous boob jobs, bum lifts and nose jobs.

Defending her surgery choices, she said: "It's a lot, but everyone I know my age has the same or more."

"Everybody's getting surgery. If I'm in a hair salon, the hairdresser is like 'oh, I'm getting a Brazilian Butt Lift next week', then Jane down the road is getting it too."

# FURY AS ESCORT AGENCY VAN 'RECRUITS YOUNG MUMS'

**NURSERY ALARM: X-rated poster on van**

AN escort agency has been accused of attempting to recruit mothers by leaving an advertising van outside a nursery for two weeks.

Featuring six naked women covered by furs, the poster on the van said the company offers 'luxury' services 24 hours a day, seven days a week.

The van, which advertised an agency called 'La Femme Escorts', was parked outside Pagoda Arts Centre in Liverpool, which functions as a nursery for local parents.

Parents coming in and out of the nursery were met by the van – which clearly displayed contact details – on a number of occasions, prompting concerns they were being 'recruited'.

Councillor Steve Munby, who had the van removed following complaints from Pagoda staff, said he feared the agency was targeting young mums.

He said: "They are trying to recruit people and we are worried about that. It's not just that it's offensive."

"I can't think why else they would put them there if not to target mums or people who need to consider doing that for financial reasons."

**Upset**

Mum-of-two Joan Halfon called the van 'outrageous' and moaned: "You don't expect to see this. In phone boxes or on the internet maybe, but not where children could just be out walking with their parents."

The manager of Pagoda said nursery parents were left 'upset' by the van, which staff thought had been abandoned outside.

## Cop jailed for sexual assaults on women

**A POLICE crime scene investigator has been jailed for sexually assaulting two women who were victims of crime.**

Kevin Dowley, 62, was found guilty of pulling down a pregnant woman's leggings and putting his hand down a burglary victim's dungarees.

Dowley, of Stanford-le-Hope, Essex, was jailed for two years after a trial at Basildon Crown Court and put on the sex offenders register for 10 years.

The nine-day trial heard the civilian forensic investigator had a "tattoo fetish" and targeted vulnerable women.

He encountered his first victim after a burglary at her home in Brentwood, Essex, in July 2016.

She described how Dowley sexually touched her by putting his hand down her trousers.

### Kiss

The second offence was at Grays Police Station, where Dowley pulled down a pregnant woman's leggings and attempted to kiss her while taking pictures of injuries she had suffered in a domestic assault.

He was initially arrested over the Grays incident in September 2016. The Brentwood assault was reported in February 2017.

Assistant Chief Constable Nick Downing, head of the Kent and Essex Serious Crime Directorate, thanked the victims for coming forward and said he hoped the conviction helped rebuild trust in Essex Police.

He said: "I want to pay tribute to

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

the bravery of the victims for coming forward.

"They had the courage to face Dowley in court and gave evidence under great scrutiny where they had their integrity attacked and had outrageous claims made against their character."

In addition to his two-year jail sentence, the former Metropolitan Police officer was given a sexual harm prevention order for 10 years and was also ordered to pay £2,000 legal costs.

Dowley was dismissed from his staff job with Essex Police following a disciplinary hearing.

## KIDNAP VICTIM DRUGGED AND LEFT NAKED IN ROAD

**A SERIES of 'horrible decisions' made by a man led to him running naked down a country road.**

The individual told cops he was kidnapped after two men told him and a dancer he met at a strip club that they had a Jeep to sell them.

The men allegedly took the two victims to a storage facility in Norman, Oklahoma, where they were then forced to snort cocaine and told to hand over money.

After they refused, the man was ordered to take off his clothes and was dropped off on an abandoned street.

Police arrested William Trites and Phillip Tullis (left) on two charges of kidnapping and one of robbery.

"There were a few crimes committed," a police spokesman said, adding: "But a lot of horrible decisions led up to him eventually being found naked."

**O**UR snappa RUINED a posh £2,000 camera taking these sizzling pictures of gorgeous Gracie Lewis in a sauna.

Ignoring the manufacturer's strict instructions not to operate the high-end digital SLR in high-humidity conditions, our man snapped away until a short circuit announced the device had gone kaput.

But you have to agree that the pictures he got before the camera gave up the ghost are worth the loss!

Manchester babe Gracie, 27, who has cracking 32E boobs, also shared some sexy secrets that almost made our reporter with the notepad and pencil blow a circuit, too!

### Tingly

She revealed: "The craziest place I ever had sex was in a hot tub. It was amazing because not only was it warm but the bubbles were nice and tingly on my naked skin."

"Knowing we were having sex somewhere we shouldn't was a real turn-on, too."

Gracie added: "I also think dressing up is important, because it adds another element to sex."

"I have this really amazing set of black lingerie that absolutely drives my boyfriend wild when he sees me in it."

"It works wonders every time!"

# BRAVE SUSANNA BEATS OFF MUGGER

**BREAKFAST telly babe Susanna Reid chased a knife-wielding mugger who had tried to nick her bag.**

Speaking on ITV's *Good Morning Britain*, she said: "I got mugged once by a guy with a knife. My instinct was to rush after him.

"It was not rational and obviously it was dangerous. He got scared and dropped my bag."

## Slashed

Co-host Piers Morgan, who was shocked by the story, asked: "You ran after a knife-wielding mugger?"

Susanna continued: "He slashed my bag off me. He cut the bag off

me and cut through my coat. I was incandescent."

She explained that she ran 100 yards after the mugger and managed to get some of her possessions back.

The MILF added: "He ran up over a bridge. I followed him. I was absolutely furious. He was shaking out my bag on top of the bridge and he ran off.

"I had cash in my bag, he took that. My bag was broken but I got my phone and keys."

*Good Morning Britain* viewers took to Twitter to praise brave Susanna.

One said: "Good for you girl!!! I think I'd do the same as their all sad little thuggish cowards underneath."

## SNOWFLAKES BAN MINGE PLAY

**A UNIVERSITY** has banned productions of world famous play *The Vagina Monologues* - in case it upsets trans women, who were born with cocks.

Eastern Michigan University's Women's Resource Centre said it will no longer host the production, after opponents voiced concern that the play centres on "cisgender" women - who are actually women.

They said the play's version of feminism excludes some women, including trans women, and that overall *The Vagina Monologues* lacks diversity and inclusion.

In a statement, they said: "We feel that making this decision is in line with the WRC mission of recognising and celebrating the diverse representations of women on campus.

"We truly believe that it is important to centre our minoritised students and this decision is in line with this mission driven value."

## Bi babes tease punters, then tease my todger!

**Dear Ashleigh,**

**I MUST be the luckiest bloke in the world because I'm shagging two gorgeous bisexual pals – at the same time**

They're both 21, at university and they like nothing more than a hot three-in-a-bed session with me.

I'm 26 and I met the girls when they came into the pub I manage looking for work as barmaids.

There was only one vacancy but I took them both on as I thought a couple of great looking girls would pull in the punters.

Ours is a fun pub so I asked them to dress as college girls when they were on duty and they agreed with a wink and a giggle as they felt up each other's bums.

They are stunnas and the customers loved them when they saw them in their tiny mini-skirts, white open-neck shirts and uplift bras.

They also loved the fact that the girls were constantly flirting with one another and

making saucy comments about what they'd be doing to each other when they got home.

I took them both out for a meal a few weeks after they started work, and during the meal the talk was so flirty and dirty I had to sit with a hard-on throughout it.

They share a house with two other lezzer girls and after we'd finished they invited me back there.

### Fingers

I still didn't think they had any inclination towards shagging men but to my surprise no sooner had we got indoors than they were all over me, feeling my rock hard knob through my trousers. As they slipped their fingers into my flies I damn nearly shot my load there and then right there in the hallway.

Then we all went up to their bedroom, stripped off and dived on one of the beds.

First, one of them went down

on me while her mate squatted over my face so that I could give her fanny a good licking out.

Then they swapped over and I was in my element as these two stunnas took it in turns to suck me off as they probed each other's slippery slits with their agile fingers.

But the best was still to come because one of them asked me if I had ever had anal sex.

When I said I hadn't, she giggled and got on all fours while her pal lubed her up and guided my erect todger into her tighter hole.

I began to thrust and she was squealing with delight. Her girlfriend was happy too as she lay beside us fiddling with her hard little clit.

The session lasted four hours and we all climaxed several times. Am I sorted, or what?

CD, south London

**Ashleigh says...**

**THIS is the stuff of dreams – be sure to keep us posted...**

**Dear Ashleigh,**

THE youngest brother of my hubby has turned out to be a right stud.

When we married he was a teenager but now he's in his mid-20s and he's absolutely gorgeous.

Last week I put on my sexiest undies and let my brother-in-law glimpse up my skirt when he came round to do some odd jobs on the house.

The next thing is, I catch him banging one off in the toilet and I tell him: "You don't have to do that."

I got hold of his massive todger and guided it straight into my soaking wet hole and we were off.

Five sweaty minutes later we were both wearing large smiles.

Before we left I sucked him off and swallowed his spunk.

I'm thinking of trying the middle brother next. What do you reckon?

## We're lesbians but enjoyed 3-way with my horny male boss

**Dear Ashleigh,**

ALTHOUGH I am a lesbian, and I have had a lovely girlfriend for four years, I recently cheated on her with my male boss.

To cut a long story short, we were the only ones in the office one night, he came on to me and I fancied it.

I got straight down to the bulge in his trousers. His cock was huge and tasted better than other cocks I'd sucked before. He was the first man I'd had sex with in six years.

He pleased me like never before and I did not hesitate in gobbling down his love-juice.

My boss knows my situation and suggested a threesome with my girlfriend – and to my

surprise she jumped at the chance.

He came round with some champagne and we all headed upstairs for a shower. I let him screw me from behind in the shower while my girlfriend soaped my tits.

Then he banged her doggy-style on the bed as I sucked his balls from below.

He then said he wanted to tie us both to the bed and f\*\*k us up the arse. We agreed and he tied us with my stockings and then pounded our arses.

My girlfriend says that was a one-off but I want to do it again. How do I persuade her?

DC, Cheshire

# AFFAIRS OF THE HEART

## Laura Cooke says...

I'VE said for ages that monogamy isn't for me and I think parts of this survey show I'm not alone. A quarter of women think kissing someone else while in a relationship is OK, and I'd go even further than that! I'll happily bonk other people if I'm in a relationship and I don't mind my fella doing the same. And if we want to share someone in a kinky threesome then we're all winners!

## Angela Bernard says...

I'VE never cheated and I know my boyfriend at the moment wouldn't either - he's got it good with me! I suck him off all the time, we do anal whenever he wants and I'm always dressing up in saucy outfits for a spot of role play. And when I get my sex toys out, his eyes light up. If you do enough in bed, you don't need to worry about anyone else.

**'It's so horny

**RAUNCHY** Rita Peach has revealed she loves **TOUCHING** herself and getting herself off in front of a lover.

The brunette babe says she finds it so arousing to do the kit kat shuffle with an audience that she does it whenever she gets the chance.

And unsurprisingly, the 28-year-old busty brunette beauty insists that men go wild for her sexy shows.

### Horny

Rita, who boasts whopping 36EE palm-stretchers, says that guys always find her confidence between the sheets a huge turn on.

Rita, from the university city of Cambridge, said: "It always makes me feel so horny to pleasure myself in

front of a guy.

"I think it feels so taboo and I know that not every girl would feel comfortable to do that.

"The blokes I've been with find it really sexy that a woman has the confidence to

give themselves an orgasm in front of them – and it takes the pressure off them!

"I love touching myself while a guy is shagging me from behind or when I'm on top."

But Rita is just as happy for the roles to be reversed,

saying: "I also find it such a turn on to see a guy wanking.

"It's all about letting your inhibitions go, doing something you would normally do in private.

"I love it when a guy is touching himself and then squirts his cum all over my boobs or face."

ROARING:  
England  
after their  
Croatia win

## ENGLAND 2/1 FOR NATIONS

ENGLAND are 2/1 favourites at BetVictor to win the Nations League which will take place in Portugal in early June. The draw for the semi-finals will take place in Dublin on Monday.

Hosts Portugal are 9/4, Netherlands 5/2 and Switzerland 9/2. England came from a goal down to beat Croatia with a late Harry Kane winner, Netherlands also score two late goals to get the point they needed in Germany while the Swiss had to beat Belgium by two clear goals and were two down inside 20 minutes.

It would be fair to say that the Nations League has – to this point – been a great success and I, for one, am looking forward to the finals in Porto and Guimarães.

England begin the third and final Test against Sri Lanka in Colombo tomorrow morning with the series already in the bag. Our spinners took 19 of the 20 Sri Lankan wickets to fall in a thrilling second Test victory in Pallekelle earlier in the week as the Tourists won back-to-back away Tests for the first time in six years.

England are 37/40 with BetVictor to sweep the hosts with Sri Lanka 2/1 and the draw 7/2. Joe Root's side have looked a very good side although there will be changes for the visit of Australia next summer.

The five-Test Ashes series begins at Edgbaston on August 1 and Joe Root's side will not have forgotten their 4-0 humiliation down under and the subsequent events in South Africa which have cast a shadow over the validity of that success.

### Beating

With a Duke cricket ball in their hand Jimmy Anderson, Stuart Broad and Chris Woakes are a different proposition and the Evens for England to regain the Ashes with BetVictor is likely to look very big by the middle of September – final Test ends on the 16th.

Gold Cup runner up Might Bite is reported to be in rude health by trainer Nicky Henderson ahead of his seasonal reappearance in the Grade 1 Betfair Chase at Haydock Park on Saturday. The weather forecast suggests the ground will be no worse than good to soft and he will take all the beating although at Even money it is probably a race best watched.

No Gold Cup horses in action today but if we saw a superstar over jumps over the weekend it was Lalor who is now just 6/1 to win the Arkle Trophy back at Cheltenham in March. There won't be a dry eye in the house if he wins for Kayley Woolacott whose husband and the gelding's former trainer died earlier in the year following a battle with mental illness.

Woolacott saddles The Kings Writ (3.20) at Cheltenham today and the hope is that the seven-year-old can cope with the slight drop back in trip on his seasonal reappearance. The selection ran right-handed exclusively last season but there seems no reason why he shouldn't be able to cope with this track and the forecast soft ground is ideal.

The Philip Hobbs trained Atrilelgo returns from a 600-day absence, but a market move would be worth noting given the form of the yard.

## BAIRSTOW BATTLES FOR HIS WICKETKEEPER ROLE

**JONNY Bairstow is desperate to break back into England's Test team.**

The Yorkshireman has sat out the two wins in Sri Lanka after picking up an injury – then seeing Ben Foakes perform like a champion in his place.

Bairstow was one of the first names on the teamsheet before this winter with his excellent batting and wicket-keeping making him an essential part of the side.

But Foakes has done so well with the bat and behind the stumps that he faces a battle to get back in.

It looks as though he might have to carve his way into the team as a specialist batsman

CRICKET: By NED TRUEMAN

if Foakes keeps getting runs as he's the better keeper of the pair.

There are still issues with the batting line-up and Bairstow is hoping to get his chance in the final Test in Colombo this week.

It would be a shock to drop Foakes after his electric start so it's one of the batters who should maybe be looking over their shoulder.

Bairstow said: "Selection is above my pay grade and that's why you want to be giving other people headaches with that."

"I'm training hard, hitting the ball nicely in the nets and

I'd like to think people know that in the background I'll be pushing as hard as possible to be playing this week."

"I've worked hard and had that spot for two-and-a-half years, so to do that – keep wicket, bat at five, six or seven in all different conditions I'm very proud of that."

Bairstow could be offered a way back if Sam Curran does not get over his side strain but that would leave a hole in the bowling attack that Stuart Broad would probably fill.

The veteran seamer thinks it's fair enough that he hasn't played so far in Sri Lanka.

He understands that it has been important to play three spinners on the turning pitches and that Curran of-

fers a lot more than he does with the bat.

Broad said: "It's never easy not playing but it is easier when you can honestly think it's probably the right decision and if you were at the top of the tree it's the decision you'd make."

"We've seen in the first two Test matches the amount of output the seamers have had and the amount of spin the spinners have been getting."

"I don't think I'd have made a particularly big difference to this England side in these conditions, to be perfectly honest."

"I don't think that me not playing will affect whether I play against Australia next summer."

## Bookies get ready to lose Battle

### WINNING POST WITH BEN MORGAN

WITH plenty of rain forecast at Hexham I have grown quite sweet on the chances of **BATTLE DUST** (NAP) who makes the long journey up from Shropshire.

Alastair Ralph's winning pointer has been ready to go for some weeks now but has been waiting for the ground to turn soft. A real mud lover should relish conditions and also the marathon distance he faces today.

Ralph thinks he may well be handicapped well enough to win a race like this and obviously rates his chances today as it is a long way to come for just a pipe opener.

Further down at Chepstow, I am hoping **EBONY GALE** can make amends of a first flight fall last time out.

That was over the same course and its worth remembering she was quite well backed that day so she must have been well fancied. He will probably end up wanting further than this but 2m on this stiff track represents a nice starting point.

### Decent

In terms of quality this looks a weaker race and if he can stay on his feet he must go close as his bumper form is strong.

**OXWICH BAY** finished a close fourth to a progressive winner 14 days ago and Evan Williams will be hoping he can go three better here.

That particular race was quite a competitive little heat as there were many unexposed horses lining up, however the field he faces today look slightly longer in the tooth. He was a decent hurdler who should make a better chaser and I will be disappointed if he isn't winning over fences soon.

Henry Daly will be hoping for better from **BLACK TULIP** this time as she faded on chase debut. Whether the ground was too quick or she just needed the run, I'm confident that that wasn't her true form.

She was a decent handicap hurdler and she can improve for the switch to fences this season. It's an open enough race she's running in and she may turn out to be the forgotten horse.

# LIONS HAVE A LOT TO LEARN

## GARETH Southgate is warning his young Lions to keep their feet on the ground after making the Nations League semis.

England came from behind to beat Croatia at the weekend to book their place in the final four for the mini tournament in Portugal next summer. On the back of getting to the World Cup semis, hopes are high that the wait for a trophy that dates back to 1966 may finally be over.

But Southgate is pouring cold water on the bragging and believes his team have a lot further to go before they can contend on the biggest stage. He said: "In life, you can never say you've made it because that's the day you stop progressing and improving."

BY ANDY MILLOM

"But what we've done is we've put a consistent year together really and we've leapt up those rankings and started to beat some of those top teams. That's where we've got to be."

"We want to be in these games that matter."

"The more of those games that you're in, the more chance you've got to get over the line in them and to test yourself against the very best players."

"All of our team test themselves all year and have shown themselves what is possible. And so

they are starting to believe a bit more."

Southgate is delighted to have plenty of strength in depth, as shown by the last two games.

Players like Trent Alexander-Arnold and Jadon Sancho made a big impact in the win over the United States to put pressure on the first-team.

It was telling that only five of the players from the World Cup semi-final started against Croatia.

Southgate believes that will keep those in possession of the shirts on their toes.

He added: "One of the most important things we can do is be right on the button with every player who is playing, how they are progressing and where they might fit in with what we are doing."

### Prove

"They are all pushing. Whenever I see teams that win the league, the only way they can really start that challenge again is to add a couple of new players."

"So whenever we bring a new player in, that player is excited by it but the other players also want to prove themselves to that player."

"They know there is competition and the last four players that have come in, everybody has played well."

"That is a lot of credit to everybody in the camp because they make that settling in period a comfortable one. I am sure if you speak to Callum Wilson or Jadon Sancho or the others that have just come into this camp or the last one, they feel comfortable."

"That can be an ordeal and then you can't go out on the pitch and play."

"That camaraderie and that atmosphere is very important to what we are doing."

NOT GETTING CARRIED AWAY: Southgate is urging caution

# COLE FIRED BY GOAL MISSION

SEAMUS Coleman is calling on his Ireland teammates to man up and improve their results.

Boss Martin O'Neill is under increasing pressure after a shocking 2018 that brought just one win from nine games.

Despite a solid draw in Denmark, Ireland fans are not happy after going seven hours without seeing their team score a goal.

While the manager is getting the stick, Coleman believes the players need to

take the blame — and sort out the mess.

He said: "There's no secret about it, there's no way of dressing it up, it's been a disappointing year, no doubt about that."

"It's been a learning curve for myself and some of the other lads who have 40 or 50 caps too."

"We don't have Richard Dunnes, Robbie Keane and Damien Duff to carry us

through anymore. We have to take that baton now and maybe some of us haven't done that strongly enough."

"The new lads coming in will have learned a lot from this year."

"That, in a way, is some kind of positive to take from a negative year. Mentally we can be a lot stronger going into the games in March. That's how we have to look at it."

Coleman admits that all the negativity around the team is not helping. They

are getting stick it from all sides with supporters also unhappy at the way the FAI is run.

The skipper added: "It's hard to enjoy it all the time when you're under pressure, but you've got to remember what you wanted to play football for, which was to represent your country."

"You've got to take the good with the bad."

"It's been a tough year, we can learn a lot from it and I think we can improve on what we've done."

NOT HAPPY: Coleman

# IVAN THE RED

By ANDY MILLOM

**MANCHESTER United are lining up a January move for Croatia superstar Ivan Perisic.**

The Inter Milan forward has been on the Red Devils' radar since his dazzling displays at the World Cup fired his team into the final.

The Italians had always said that there was no possible deal for the 29-year-old — but they seem to have changed their mind.

Credible reports from Italy suggest that Perisic could be bought for a cut-price £35m when the window opens after Christmas.

That's at least £10m less than Inter were demanding after the World Cup.

Insiders say the Italians have decided to cash in now after the winger's form took a big dip in Serie A with just two goals this season.

That hasn't put off United with boss Jose Mourinho a long-time admirer and a bid looks imminent.
